

PD Strategies in the Workplan

Program Goal: Increase the number of schools and districts with programs targeting youth at disproportionate risk for chronic disease.

– *Strategy:* Provide PD to schools, districts, and other local agencies on targeting programs for youth at disproportionate risk for chronic diseases.

- *SMART Objective:* By end of fiscal year, a training on a CSH approach on targeting programs for youth at disproportionate risk for chronic diseases will be developed and implemented in 75% of schools.

- *Workplan Activities:* Assess needs of intended participants, market the training, implement the training.
